Cookies:

Cookies are small data files that a website stores on your computer/electronic device. While cookies have unique identification nos., personal information (name, a/c no) SHALL NOT be stored on the cookies. BFL may:

- i. Temporarily store the mobile number in the cookies, where the User submits the mobile number for a particular session and the same is deleted simultaneous with the session log off;
- ii. Use persistent cookies which are permanently placed on User’s computer to store nonpersonal (Browser, ISP, OS, Clickstream information etc.) and profiling information (age, gender, income etc.).
- iii. Use Information stored in the cookies to improve User experience by throwing up relevant content where possible. iv. Use the cookies to store User preferences to ease User’s navigation on the website/electronic/mobile application.

Salient Features:

- a) BFL respects the privacy of User in accordance with prevailing Law/regulation that governs privacy and always strives to uphold the standards in protecting the same.
- b) Excepting with its Group, its subsidiaries, Service providers, the Information shall not be shared with any external organization unless the same is necessary to enable BFL to provide you services, meet legal and/or regulatory compliance requirement and/or to enable the completion of a transaction, rendition of services, pursuant to applicable norms/process or pursuant to the terms and conditions applicable to such Information as agreed with BFL.

- c) BFL may use the Information to enhance the User's experience and may make subsequent offers to the User about its products/services.

Data Governance and trainings:

At our company, we believe in maintaining transparency with our customers when it comes to data governance policies. As per our data privacy policy, data governance is one of our prime focus areas that help us deliver quality services to our customers. We follow stringent guidelines on data governance, which include factors such as data quality, data minimization, data accuracy, and data accessibility.

We understand that data privacy is a critical concern for our customers, and we ensure that we use the data provided only for specific purposes, adhering to the customer's consent given. Our employees handle customer data ethically and securely. Our employees follow various parameters like data classification, ethical handling of customer data, minimizing data exposure to third parties, and maintaining the confidentiality and privacy of data, among others.

Our data governance policies help us maintain transparency and accountability when handling customer data, and we strive to continuously update and improve our policies to ensure the safety and privacy of your data.

Security

Securing User's Information is of paramount importance to BFL, and it undertakes the following initiatives to secure privacy of the User's Information:

1. BFL implements various reasonable management, technical, and administrative measures to safeguard internal information, with sound technical controls to secure the underlying systems.
2. Alongside conducting periodic internal and external audits of systems, BFL adheres to multiple regulatory and statutory obligations. We also comply with Information Security certifications such as ISO27001:2013 (Information Security Mgmt. Systems), ISO22301 (BCMS), and PCIDSS.
3. BFL has in place controls such as data discovery which ensures that personal data of User is tracked across all its assets and security of such data is ensured using data encryption and masking methodologies. Further, we have implemented access controls across all our data assets to ensure that employees have access to limited data and only on a need-to-know basis.
4. BFL has implemented information security tools such as DLP and SOC solutions which help prevent the leakage of data outside its environment and monitor network across servers to ensure threats to User's data are mitigated.
5. BFL has a robust IT infrastructure support mechanism that ensures all systems are updated to the latest system and security patches.

In all contractual arrangements, BFL ensures compliance with appropriate standards from third party agencies/service providers, with obligations to protect any information and apply appropriate measures regarding its use and transfer. Any acts involving unauthorized usage and sharing of information, breach of security procedures, usage of information for unlawful gain, or breach of confidentiality BFL warrants penalty as per master agreement which may or may not lead to legal proceedings.

Our responsibility is to keep you informed of our approach to information security and encourage your commitment to its successful implementation.

Service Providers

We may employ third-party service providers and individuals due to the following reasons (not exhaustive):

- To facilitate BFL's products/ services.
- To provide the service on behalf of BFL.
- To perform any ancillary service related to products/services of BFL and/or its Group.
- To assist BFL in analyzing how the services are used; and
- To assist BFL and/or its Group in evaluating and improvising the service standards.

User is hereby informed that the third-party service provider/agent/agencies will have access to your Information on a need-to-know basis to assist BFL in rendering service and are restricted from using the same for any other reason rather than specified during data collection. The third-party service provider is obligated not to disclose or use the Information for any other purpose.

Erase App Data:

Customers can raise a request to erase app data via: Menu > Help & Support > New Request > Others > Delete Bajaj Finserv App Account

Responsibility of User:

User acknowledges the following:

- a) BFL and/or its employees / assigns will not contact the User directly for disclosure of any personal information unless required for the above-mentioned Purposes. Hence, User is solely responsible to exercise proper due diligence to verify the identity of the individual(s) contacting before disclosing any personal data/ information by reaching out to the BFL's official customer care number accessible on its website before making any disclosure.
- b) BFL will not be liable / responsible for any breach of privacy owing to User's negligence.
- c) User shall only use the official website/links of BFL for availing product/services by inputting the domain information on the address bar.
- d) User is completely aware about the potential risk of data/privacy breach and User shall be solely liable for any unauthorized disclosure/ breach of personal information etc. and any direct/ indirect loss suffered by User due to User's conduct. Hence, User shall exercise utmost caution to ensure that User's personal data (including but not limited to any Passwords, financial information, account details, etc.) are not shared/stored/made accessible through any physical means with or without User's knowledge (disclosure to any person/third-party etc.) or through any electronic means, by exercising the following precautions/ safety measures:
 - (1) User shall always check if "https" appears in any website's address bar before making any online transaction, to ensure that the webpage is encrypted.
 - (2) User shall avoid using third- party extensions, plug-ins or add-ons on the/your web browser, as it may result in the risk of tracking or stealing of User's personal details.
 - (3) User shall always type the information and not use the auto-fill option on web-browser and mobile apps to prevent the risk of storage of my personal information.

- (4) User shall NOT access darknet, unauthorized/ suspicious/ malicious website, suspicious online platforms, downloading information from unreliable sources.
- (5) User shall ensure to disable cookies before accessing any domain/website, to ensure that User's personal information is not tracked by any third-party, unless otherwise consciously permitted by User by accepting the same, for which, User alone will be responsible for the consequences thereof.
- (6) User shall not respond to any generic emails from an unknown/ unidentified source.
- (7) User shall check the Privacy Policy of website/ application to know the type of information that may be collected from User and the manner in which it may be processed by the website/ application before accepting/ proceeding/ transaction on any website/ application.
- (8) User shall always verify and install authentic web/mobile applications from reliable source on User's computer / laptop / tablet / I-Pad / smart phone or any other electronic device.

User shall NOT access any unidentified weblinks, or any other electronic links shared over electronic platform (such as email, SMS, social media, websites).

Data Storage, Retention and Handling:

BFL shall retain/store User's Information in India if it is required to provide services or as long as it is required for business purpose. Retention of Information will be as per applicable law/regulatory requirements in India. BFL may retain the following kinds of information (not exhaustive):

Sr. No.	Kinds of Information	Retention Period
1	KYC Documents (Identity and Address proof, and Account Opening Form)	During the tenure of relationship and At least Five years after cessation of the relationship
2	Loan Files containing documents like Application Form, Income Documents, agreements etc., collected at the time of opening account and thereafter in respect of Closed Account	During the tenure of relationship and 5 years from closure of Loan
3	Loan Files containing documents like Application Form, Income Documents, agreements etc., collected at the time of opening account and thereafter in respect of Closed Account (for B2B Loans availed through our dealer/partners)	During the tenure of relationship and 3 Years from closure of the Loan
