

BAJAJ FINANCE LIMITED

Q1 FY22 Investor Presentation
20 July 2021

Section 01

Executive summary – Q1 FY22

1.1

Quarter gone by

1.2

Lead financial indicators

1.3

Executive summary – Q1 FY22

It was a muted quarter impacted by severe second wave of pandemic. Both businesses and debt management efficiencies were affected due to strict lockdowns across most parts of India. Business transformation remains on track for phase-1 go live in October 2021.

*Not annualized

**Not relevant due to moratorium

1. At the outset, YoY numbers are not comparable due to strict lockdowns across most parts of India and EMI moratorium in Q1 FY21.
2. AUM as of 30 June 2021 was at ₹ 1,59,057 crore as against ₹ 1,38,055 crore as of 30 June 2020. Core AUM growth* in Q1 FY22 was ~₹ 4,100 crore. In absence of a third wave, the Company expects quarterly AUM growth rate for balance of the year to be at pre-COVID levels .
3. The Company booked 4.63 MM new loans in Q1 FY22.
4. The Company acquired 1.88 MM new customers in Q1 FY22. Customer franchise crossed a milestone of 50 MM and stood at 50.45 MM as of 30 June 2021, a growth of 17% YoY. Cross sell franchise stood at 27.43 MM, a growth of 14% YoY. New customer addition in Q1 has come in line with our general guidance of 7-8 MM new customer addition annually.
5. Total geographic footprint stood at 3,113 locations and 1,14,400+ distribution points. During the quarter, the Company expanded its presence in 125 new locations including 50 financial inclusion locations. Further, the company added 49 new branches across its existing locations. This included 25 standalone branches for Gold loan and 24 dedicated branches for FD.
6. The Company continues to protect its margin profile across all its businesses. Due to lower debt management efficiencies and consequent increase in GNPA, interest income reversal for Q1 FY22 was higher at ₹ 451 crore as compared to ₹ 306 crore in Q1 FY21. In absence of a third wave, the company expects quarterly interest reversals to normalise by Q3 FY22.
7. **Cost of funds for Q1 FY22 was 7.11% vs 7.39% in Q4 FY21. The Company's liquidity buffer** was ₹ 10,857 crore as of 30 June 2021. This represents 8% of total borrowing. We expect further reduction in cost of funds, as liquidity buffer and borrowing basket is reinstated to pre-COVID levels.

*Core AUM growth = (AUM growth for the quarter – short tenor IPO financing book + additional losses on account of COVID)

8. Deposits book on a YOY basis grew by 39% to ₹ 27,972 crore as of 30 June 2021. Its contribution to consolidated borrowings was 21%. During the quarter, deposits book grew by ₹ 2,169 crore. Retail : Corporate mix stood at 77 : 23 in Q1 FY22.
9. Opex to NII for Q1 FY22 was 30.6% vs 27.9% in Q1 FY21. The Company took several actions to reduce its operating expenses to partially mitigate the financial impact caused by second wave. This metric should normalize to ~33% by Q4 FY22.
10. The second wave caused a marginal increase in EMI bounce rate in Q1 FY22 over Q4 FY21. Average EMI bounce rate in Q1 FY22 was approximately 1.08X of Q4 FY21. The bounce rate for July 2021 has improved to 0.96X of Q4 FY21.
11. In Q1 FY22, forward flows across overdue positions were higher due to constraints on debt management amidst strict lockdowns across most parts of India. With most of the country now open constraints on debt management has eased significantly.
12. Loan losses and provisions for the quarter were ₹ 1,750 crore. The second wave resulted in significantly subdued debt management efficiencies leading to higher stage 2 & 3 assets. The Company follows ECL methodology of provisioning and accordingly accounted for higher credit cost in Q1 FY22.
13. The Company has management overlay provision of ₹ 483 crore as of 30 June 2021.
14. GNPA & NNPA as of 30 June 2021 stood at 2.96% and 1.46% compared to 1.79% and 0.75% as of 31 March 2021.
15. GNPA for the quarter increased by ₹ 2,006 crore from ₹ 2,731 crore as of 31 March 2021 to ₹ 4,737 crore as of 30 June 2021. Auto finance business was worst affected. Its GNPA increased by ₹ 1,199 crore from ₹ 1,227 crore to ₹ 2,426 crore. GNPA in other businesses increased by ₹ 807 crore from ₹ 1,504 crore to ₹ 2,311 crore.

16. NNPA as of 30 June 2021 was ₹ 2,307 crore vs ₹ 1,136 crore as of 31 March 2021. Secured assets constituted 74% of NNPA of which Auto finance was ₹ 1,420 crore (₹ 609 crore as of 31 March 2021) and Mortgages was ₹ 290 crore (₹ 262 crore as of 31 March 2021).
17. Non overdue one-time restructuring (OTR) book stood at ₹ 1,287 crore as of 30 June 2021 vs ₹ 1,739 crore as of 31 March 2021. The Company has considered OTR as an indicator of significant increase in credit risk and as a matter of prudence classified it as Stage 2. The Company holds ECL provision of ₹ 235 crore (18.3%) against the OTR book.
18. Non OTR stage 2 assets stood at ₹ 6,137 crore as of 30 June 2021 compared to ₹ 4,985 crore as of 31 March 2021. The Company holds ECL provision of ₹ 1,395 crore (22.7%). Secured non OTR stage 2 assets was ₹ 3,107 crore (50.6%) and unsecured was ₹ 3,030 crore (49.4%).
19. In absence of a severe third wave, the Company is committed to bring down its GNPA to 1.7-1.8% & NNPA to 0.7-0.8% by 31 March 2022. Accordingly, the company estimates its overall credit cost for the year to be ₹ 4,200-4,300 crore.
20. Consolidated post tax profit for Q1 FY22 was ₹ 1,002 crore compared to ₹ 962 crore in Q1 FY21, a growth of 4%.
21. Capital adequacy remained very strong at 28.57% as of 30 June 2021. Tier-1 capital was 25.41%.
22. BHFL AUM grew by 24% to ₹ 40,941 crore as of 30 June 2021.
23. Capital adequacy of BHFL remained strong at 22.07% as of 30 June 2021.
24. BHFL post tax profit for Q1 FY22 was ₹ 161 crore compared to ₹ 92 crore in Q1 FY21, a growth of 75%.
25. BFSL has 95,000+ Retail and HNI Customers as of 30 June 2021. It acquired 52,500+ customers in Q1 FY22.

Update on Business transformation:

1. The Company, at its AGM today, has shared the home page of its consumer app along with illustrative end to end journeys of fixed deposits for new customers and doctor loans. This video is uploaded in the investor section of our website. [\(Click here\)](#)
2. This consumer app as it gets delivered in phases will have 2,000+ screens across 20 business and service modules, 7,000+ content screens, personalized and dynamic banner infrastructure, self service screens supported by integrated contact center capabilities, 300+ transaction APIs, ability to handle 100K+ requests per second which are non-linearly scalable and 100+ dedicated staff monitoring 3,000+ KPIs real time and many more.
3. The Company launched its wallet business on 01 July 2021 and has onboarded 320K customers as of 18 July 2021. The Company expects to onboard over 5 MM customers for its wallet business in FY22.
4. The Company with a view to strengthen its presence in payments business has taken an approval of Board to apply to RBI for Payment Aggregator (PA) and Bharat Billpay Operating Unit (BBPOU) license.
5. BFSL launched its new mobile app on 31 May 2021.

Subsidiaries – Bajaj Housing Finance Limited (BHFL)

6. **BHFL's AUM increased by 24% to ₹ 40,941 crore** as of 30 June 2021 from ₹ 32,982 crore as of 30 June 2020.
7. **BHFL's net Interest Income for Q1 FY22 increased by 38% to ₹ 335 crore** from ₹ 243 crore in Q1 FY21.
8. **BHFL's opex to NII stood at 27.2% in Q1 FY22** as against 30.5% in Q1 FY21.
9. **BHFL's loan losses and provisions for Q1 FY22 was ₹ 26 crore** as against ₹ 45 crore in Q1 FY21. It has management overlay provision of ₹ 132 crore as of 30 June 2021.
10. **BHFL's GNPA & NNPA as of 30 June 2021 stood at 0.28% and 0.18% respectively** compared to 0.35% and 0.22% as of 31 March 2021.
11. **BHFL's profit after tax increased by 75% to ₹ 161 crore** in Q1 FY22 against ₹ 92 crore in Q1 FY21.

Subsidiaries – Bajaj Financial Securities Limited (BFSL)

12. BFSL has 95,128 Retail and HNI Customers as of 30 June 2021. It acquired 52,504 customers in Q1 FY22.
13. **BFSL's total Income was ₹ 14.98 crore** in Q1 FY22 against ₹ 2.88 crore in Q1 FY21.
14. BFSL registered a net loss ₹ 3.23 crore in Q1 FY22.

Q1 FY22 Investor Presentation

Thank You

This presentation has been prepared by and is the sole responsibility of Bajaj Finance Limited (together with its subsidiaries, referred to as the “Company” or “Bajaj Finance”). By accessing this presentation, you are agreeing to be bound by the trailing restrictions.

This presentation does not constitute or does not intend to constitute or form part of any offer or invitation or inducement to sell, or any solicitation of any offer or recommendation to purchase, any securities of the Company, nor shall it or any part of it or the fact of its distribution form the basis of, or be relied on in connection with, any contract or commitment therefor. In particular, this presentation is not intended to be a prospectus or offer document under the applicable laws of any jurisdiction, including India. No representation or warranty, express or implied, is made as to, and no reliance should be placed on, the fairness, accuracy, completeness or correctness of the information or opinions contained in this presentation. Such information and opinions are in all events not current after the date of this presentation. There is no obligation to update, modify or amend this communication or to otherwise notify the recipient if information, opinion, projection, forecast or estimate set forth herein, changes or subsequently becomes inaccurate. However, the Company may alter, modify or otherwise change in any manner the content of this presentation, without obligation to notify any person of such change or changes.

These materials are being given solely for your information and may not be copied, reproduced or redistributed to any other person in any manner. The distribution of these materials in certain jurisdictions may be restricted by law and persons into whose possession these materials comes should inform themselves about and observe any such restrictions. Certain statements contained in this presentation that are not statements of historical fact constitute “forward-looking statements.” You can generally identify forward-looking statements by terminology such as “aim”, “anticipate”, “believe”, “continue”, “could”, “estimate”, “expect”, “intend”, “may”, “objective”, “goal”, “plan”, “potential”, “project”, “pursue”, “shall”, “should”, “will”, “would”, or other words or phrases of similar import. These forward-looking statements involve known and unknown risks, uncertainties, assumptions and other factors that may cause the **Company’s** actual results, performance or achievements to be materially different from any future results, performance or achievements expressed or implied by such forward-looking statements or other projections. Important factors that could cause actual results, performance or achievements to differ materially include, among others: (a) material changes in the regulations governing the **Company’s** businesses; (b) the Company's ability to comply with the capital adequacy norms prescribed by the RBI; (c) decreases in the value of the Company's collateral or delays in enforcing the Company's collateral upon default by borrowers on their obligations to the Company; (d) the Company's ability to control the level of NPAs in the Company's portfolio effectively; (e) internal or external fraud, operational errors, systems malfunctions, or cyber security incidents; (f) volatility in interest rates and other market conditions; and (g) any adverse changes to the Indian economy.

This presentation is for general information purposes only, without regard to any specific objectives, financial situations or informational needs of any particular person. The information contained in this presentation is only current as of its date and the Company does not undertake any obligation to update the information as a result of new information, future events or otherwise.
